

Cryo Microscopy Group

The **2017** CMG Meeting is to be held at **University of Birmingham** on **Wednesday 15th November, 2017**.

2017 Programme

9.30-10.00 Registration + coffee

10.00-10.05 Welcome

10.05 - 10.50 - **Andreas Schertel, Carl Zeiss - "Cryo-FIB-SEM volume imaging of cellular ultrastructure in native frozen biological specimen"**

10.50 – 11.35 - **Robert Cooke, Heptares Therapeutics - "The Potential impact of Cryo EM on Drug Discovery"**

11.35- 11.45 TecnoByte 1 -

11.45-11.55 TecnoByte 2 -

11.55 – 12.05 TecnoByte 3 -

12.05 - 12.45 – **Giulia Zanetti, Birkbeck College - "Coat protein complexes studied by cryo-tomography and sub-tomogram averaging"**

12.45-13.00 Freeze Frame Competition

13.00-14.00 **Lunch**

14.00- 14.15 CMG AGM meeting

14.45 - 15.15 TBA - **Andy Yarwood, JEOL - "A Career and Life in (Cryo) Electron Microscopy"**

15.15- 15.45 TBA - **Ray Wightman, The Sainsbury Laboratory - "Developing cryoSEM as a key botanical tool"**

15.45 - 16.00 Conclusion + Farwell

16.00 END

Registration is open!! [Register Now!](#)

2017 Venue

This year's meeting is at the Metallurgy and Materials building (Building G6) at the University of Birmingham

Directions to the University Campus can be found on the [University Website](#)
