

Cryo Microscopy Group

The **2019** CMG Meeting is to be held at **University of Nottingham on Wednesday 13th November, 2019.**

2019 Programme

Confirmed speakers include

David Scurr, University of Nottingham

Thomas Braun, University of Basel

Nicole Hondow, University of Leeds

Xavier Heiligenstein, Institute Curie

10.00 - 10.55 Registration, Coffee & Biscuits (**ESLC Building**)

11.00 - 11.05 Welcome (**ESLC, A09**)

11.05 - 11.45 - **Thomas Braun - 'Modular microfluidics for protein isolation, EM-grid preparation, and 'differential visual proteomics.'**

11.45 – 12.25 - **Nicole Hondow - 'Applications of cryo-analytical-STEM and cryo-FIB-SEM to nanomaterials'**

12.30 - 12.40 TecnoByte 1 - JEOL

12.40 - 12.50 TecnoByte 2 - Leica

12.50 – 13.00 TecnoByte 3 - LabTech

13.00 - 13.10 Freeze Frame Competition

13.10 - 14.30 Buffet Lunch (**ESLC Foyer**)

14.35 - 15.20 **Xavier Heiligenstein - 'Bridging live imaging and volume electron microscopy by optimizing the technological steps'** (ESLC, B1)

15.20 - 15.40 **CMG AGM meeting**

15.40 - 16.20 **David Scurr - 'Sub-zero SIMS'** (ESLC, B1)

16.20 - 16.30 Conclusion + Farewell

Registration is open!! [Register Now!](#)

Meeting Venue

This year's meeting is organised by the NMRC (Building 53 on main campus), however, the meeting will be held in the nearby ESLC Building (building 54). [get the detailed map here.](#)

A Map of the University Campus can be found on the [University Park Map](#)
