

Cryo Microscopy Group

The 2014 CMG Meeting is to be held at **University of Nottingham in the Portland building on the University Park Campus on 19th, 2014.**

2014 Programme

09.30 - 10.00 - Registration and Coffee

10.00 - 10.05 - Welcome - Paul Verkade, CMG Chair

10.05 - 10.50 – Gary Bauchan - '**Ultra-Cool SEM Studies of Difficult Organisms**'

10.50 - 11.20 – Industrial presentations: **Leica, Oxford Instruments and Linkam**

11.20 - 12.05 – Lori Passmore - '**New substrates for electron cryo-microscopy**'

12.05 - 12:20 - [Freeze Frames Competition](#)

12.20 – 14:15 - Lunch and Trade Exhibition

14.15 - 14.30 - AGM & Freeze Frames Competition Prizes

14.30 - 15.00 – Lucy Collinson and Paul Verkade - '**Current state of the art in cryo-correlative imaging**'

15.00 - 15.30 - Mark Kirkland - '**visualisation of ice cream using low temperature scanning electron microscopy**'

15.30 - 16.15 – Christiane Schaffitzel - '**Protein targeting and translocation studied by single particle cryo-EM**'

16.15 - Closing remarks - Paul Verkade

Registration is still open!! [Register Now!](#)

2014 Venue

Directions to the University Park Campus can be found on the University of Nottingham Website

There is also information for those visiting the campus [Visitor information](#)

The Portland Building is Building no.15 on the University Park campus map

Parking for delegates can be found in the visitors carpark (daily rate £7) on the map - [Download](#) University Park Campus map (PDF) from the University of Nottingham website
